

What is Raise Craze?

Raise Craze is a fabulous new approach to school fundraising that's rooted in community service and acts of kindness. Students ask supporters for donations and, as a way of thanking their donors, pay it forward by helping our community!

Students will be challenged to complete at least 3 acts of kindness during the three week Raise Craze campaign and are encouraged to reach out to family and friends for contributions.

Our goal is to make \$30,000 for a mural to be painted in the library. This will be our biggest fundraiser of the year and the PTA will get 90% of the proceeds! We are also donating 10% of our total proceeds to support hurricane relief efforts.

How Can Parents Get Involved?

Raise Craze is designed to have minimal impact on parent's time. Simply help your student set up his/her online profile and assist in providing any family/friends email addresses. It can be completed in 3 easy steps. Instructions are attached and will be posted on the PTA website. **NOTE:** Depending on the acts of kindness selected, your student may also need your help in delivering/ mailing letters or sending in donated items (see attached list). We look forward to seeing how your student completes acts of service in and around the community! Please feel free to snap photos and videos of your student(s) completing their acts of service. We would love to see the students in action and promote their acts of kindness on the morning announcements and via social media (PTA website, PTA Facebook & Twitter page). Please submit photos and videos to: mtesvpfundraising@gmail.com.
